

About Us

Bertram Place is a privately owned and operated retirement living centre located in Dundas Ontario.

We are committed to providing excellent assisted living services to seniors who are independent yet desire a reduced "life workload" for the demands of everyday living.

Old Hotel Atmosphere

As a retirement residence we provide seniors with a home that is safe, secure and inviting. People often praise our "Old Hotel Atmosphere" and the intimate and relaxed experience that our residents enjoy.

All Inclusive Service

Our "All Inclusive" care providing service assures residents that there are no added costs. All the services that you see listed on the services page are included: no à la carte surprises !

Extra services can be found locally, outside of Bertram Place and are easily accessible from our location. This enables seniors residing with us to control costs based on their needs or preferences for additional services.

While we require residents to be independent, we are happy to provide additional care through transitional stages. Working with the CCAC we monitor the needs of each resident to ensure their comfort and safety.

BERTRAM PLACE

RETIREMENT LIVING CENTRE

DUNDAS, ONTARIO

A Prime Location
At An Affordable Price

IN THE HEART OF DUNDAS

Accommodations

Choices range from small to medium and large, to the very roomy "suite style" rooms - all with private baths.

Rooms and suites are unfurnished; allowing residents to bring their own furniture and other decorative elements to make their new home a distinctively personal space.

Common areas on each floor provide a small lounge and kitchenette where residents can prepare light snacks and beverages.

Staff

Our staff are chosen for their demonstrated ability to provide positive and supportive service to our residents.

We strive to develop relationships with our residents and, as we learn more about them, we are able to more fully provide meaningful encouragement that supports their interests and needs.

In keeping with our "Old Hotel Atmosphere", we maintain a relaxed and friendly ambience while providing the highest level of service.

Services

- Call bell assistance
- 24 hour professional staff
- Security monitored building
- Air conditioning throughout
- Organized activities and outings
- Self controlled heat in each unit
- Landscaped gardens, sitting areas
- Podiatry, pharmacy and lab services
- Professional beauty salon on premises
- Home cooked meals with a choice of menu served in an elegant dining room
- Weekly housekeeping, linen service provided and personal laundry.

Activities

Regular daily exercises are held in the Activities Room - usually around 10:00 am. Simple flexibility and toning exercises for seniors provide residents with the basic physical stimulation required to maintain normal body function.

Programs for seniors that provide more intense and more specialized activities are available through St. Joseph's Villa, The Dundas Lions Community Centre and the city operated Dundas Community Pool.

The Dundas Seniors Rotary Club meets every Wednesday at the Community Centre for card games and lunch; this is accessible via shuttle bus.

Access to these destinations and many others can be arranged through DARTS services with convenient pick up and drop off at our front door.
